

Surah Al-Ikhlās

An idol is anybody or anything that stops you from obeying Allah.
Identify your idols:

'The believers are only those who, when Allah is mentioned, feel a fear in their hearts; and when His Verses (the Quran) are recited to them, they (i.e. the Verses) increase their Faith; and they put their trust in their Rubb (alone)'

-Surah Al-Anfal; ayat 2

Is Allah your real God?

When you hear good news, who are you grateful to?

When in misery, whom do you cry to and plea for help?

Do you consider His attention, love and mercy your most prized-possession or something insignificant?

If jostled between family/friends expectations and Allah's commandment, which will you fulfill?

Is He capable of giving you anything and everything you want?

Are you eager to give Him ample time and feel at peace when remembering Him?

The Prophet (pbuh) used to recite Surah Al-Ikhlās in the sunnah rak'ahs of Maghrib and Fajr prayers
