

Hell

I will change for the better Insha ALLAH

Deed	Now	6 months later
Saying salah regularly		
Telling lies		
Being kind and speaking softly with parents		
Being particular about my cleanliness		
Gossiping		
Breaking promises/leaking secrets		
Scared of Allah		
Listening to music		
Watching movies		
Mingling with boys		

Hot boiling water will be poured on their heads. It will reach their bellies and cut off everything and come out of their feet.

If the snakes and scorpions of hell sting them, they will feel the pain for forty years.

Hell is created as a mercy, for Allah injects its fear in His creations that they might refrain from bad deeds.
